For Sale : **€ 21,000**

Description
A sizeable agricultural field in the Lysos countryside of Paphos, set in an open rural landscape away from dense development. The land extends to 25,270 m², with a sloping, irregular surface. It is zoned for agricultural use, which suits farming or planting. The field has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Melandra and Zacharia, and the main roads are a little further. This sale is for a one-half share of the field. It is a versatile piece of Lysos farmland with generous room to cultivate.
