**Description**
Right in the heart of Drymou, this two-storey building brings a shop and a home together under one roof, surrounded by the everyday rhythm of authentic Cypriot village life.

The shop sits on the ground floor with direct road access. The house lies on a lower level and comes with its own basement, which adds useful extra space. Around 100 m² of interior space stands on a flat plot of 279 m². It is a practical, uncomplicated arrangement that has been part of the village since 1986.

Living downstairs and working upstairs makes for the shortest of commutes and a close connection to the community around you. Restaurants, cafés, supermarkets and shops are a short drive away, as are the neighbouring villages of Lasa and Thrinia. Main roads lead on to the wider Paphos district and the motorway beyond.

With a slower pace and a close-knit community all around, this Drymou building offers a home and a shopfront side by side, right at the centre of village life.
