Description
A flat field of 1673 m² on agricultural land in Ineia, set in open countryside in the Paphos district. Its level ground and irregular shape make it a straightforward parcel for planting or cultivation.

The village centre is a short drive away, as are the neighbouring villages of Drouseia and Kato Arodes. Petrol stations are close by, and the Limassol–Paphos Motorway lies within the wider region. The surroundings are agricultural, away from dense urban development.

This is a level, uncomplicated piece of Cypriot farmland.
