For Sale : **€ 4,000**

Description
Set in open countryside a short drive from the centre of Agios Theodoros, this field of 3252 m² lies on sloping, elevated ground in the Limassol district. Its irregular shape follows the natural lie of the land, making it a plain and uncomplicated piece of rural Cyprus.

The neighbouring villages of Agios Pavlos and Agios Ioannis are also a short drive away, as are local petrol stations. The field has no direct road access of its own.

It is a straightforward rural parcel of open, inclined ground in the Agios Theodoros countryside.
