For Sale : **€ 200**

Description
A share of an agricultural field is for sale in Polystypos, in an open countryside setting in the Nicosia district. The village centre and neighbouring Alithinou are a short drive away, and Livadia is within walking distance. Main roads are a drive away.

The field covers 553 m², with an irregular shape and an uneven surface. One of its borders runs along a stream. The land has no road access of its own. This sale is for a one-quarter share of the field. It is a modest piece of rural Polystypos land with a stream along its edge.
