For Sale : **€ 55**

Description
In the hill village of Alona, this small field lies in an open countryside setting, away from dense urban development. The plot measures 47 m², with an almost regular shape and an uneven surface.

The neighbouring villages of Platanistasa and Alithinou are a short drive away, as is a petrol station, and main roads in the wider region link the area with the rest of Nicosia district. The land has no direct road access. This sale is for a half share of the field. It is a modest, uncomplicated piece of rural land in the Alona countryside.
