A well-proportioned agricultural field in Palaiometocho, offering 4418 m² of open ground in the Nicosia countryside. The land has a regular shape and a sloping surface, and it has direct road access, making it straightforward to reach for farming or planting. Zoned for agricultural use, it suits cultivation or a long-term land holding.

The village centre of Palaiometocho is a short drive away, as is neighbouring Agioi Trimithias, with petrol stations and main roads close by. The Nicosia - Deneia motorway is also a short drive, and the Nicosia South Orbital Motorway is within easy reach, giving good links across the district.
