For Sale : **€ 21,000**

Description
This Cyprus field in Agios Georgios, Latsia, sits within the Latsia municipality. Lakatameia and Strovolos are a short drive away, and the Nicosia to Limassol motorway runs close by. The field covers 9309 m², mostly agricultural land suited to farming. It has an irregular shape and a gently sloping surface, and a stream runs along one of its borders. This sale is for a one-quarter share of the field. It is a sizeable stretch of open agricultural ground within easy reach of the capital.
