For Sale : **€ 4,000**

Description
An agricultural field of 1970 m² in Polystypos, a short way from the village centre and set in open countryside. The field has direct road access, so it is easy to reach. The ground slopes and the plot is irregular in shape, and its agricultural zoning suits farming or planting. Livadia and Alithinou are a short drive away, as are petrol stations, and the Astromeritis–Evrychou motorway links the area with the wider region. This sale is for a half share of the field. It is a practical, uncomplicated piece of agricultural land with its own road frontage.
