For Sale : **€ 10,000**

Description
This field in Saranti covers 8,046 m² of open countryside, a short drive from the village centre and the neighbouring villages of Lagoudera and Chandria. The land is regular in shape with an uneven surface, and it has direct road access along one side. Main roads and petrol stations are a drive away, which keeps the wider Nicosia district within easy reach. This sale is for a two-thirds share of the field. It is a well-proportioned piece of rural land in a landscape-led setting, away from dense development.
