Summers come easily at this ground-floor apartment in Mazoto...

For Sale : **€ 75,000**

Description
Summers come easily at this ground-floor apartment in Mazotos, where a communal swimming pool sits within the development and an uncovered veranda of 26 m² extends the home into the open air. It is a straightforward, easy-care Cyprus apartment in a residential setting, a short drive from the village centre, its restaurants, cafés and schools.

Inside, the layout is simple and practical. An open-plan living room and kitchen forms the heart of the home, with two bedrooms and a bathroom arranged around it. Being on the ground floor makes everyday comings and goings effortless, and the apartment is vacant, so a new owner can settle in on their own terms.

Supermarkets, a pharmacy and parks are a drive away, and the motorway connects the village with Larnaca and Limassol, with Larnaca International Airport also within reach.

Above all, it is the outdoor life that stands out here: mornings on the veranda, afternoons by the pool, and the warm Cyprus climate to enjoy them both.
