For Sale : **€ 210**

Description
Close to the hill village of Alona, this small field of 200 m² lies on sloping ground in an open countryside setting, a landscape-led spot away from dense urban development. It has an irregular shape, direct road access and a stream running along two of its borders. The neighbouring villages of Platanistasa and Alithinou are a short drive away, as is a petrol station, and the Astromeritis–Evrychou Motorway links the area to the wider region. This sale is for a half share of the field. A compact piece of countryside land with a stream alongside and its own road access.
