Description
Village life and the coast meet in Argaka, where this three-bedroom apartment sits within a development with a communal swimming pool and the beaches a short drive away. It makes a comfortable base for living the Cypriot way, an authentic alternative to resort living.

Inside, an open-plan living, dining and kitchen area forms the heart of the home, a natural place for shared meals and long, unhurried evenings. Three bedrooms give everyone a room of their own. The main bedroom has its own en-suite shower room, and a second bathroom with a bathtub serves the rest of the household. Covered verandas carry the living space outdoors, a sheltered spot for morning coffee or a slow hour after a swim in the pool.

Days here can drift between the pool, the cafés and restaurants of the village centre and the sea, with Paphos International Airport about 40 km away. The apartment is vacant and suits private use or rental use.

A shared pool, room for the whole family and the beaches close at hand: an easy place to settle into the rhythm of Argaka.
