For Sale : **€ 295,000**

Description
Views, a swimming pool and room for everyone: this detached Cyprus house for sale in Pegeia gives a large household space to spread out. Set on a gently sloping plot with direct road access, it sits in a residential setting with parks, restaurants and cafés right next door. Supermarkets, schools, a medical centre and the Maa Palaeokastro archaeological site are a short drive away.

Inside, an open-plan kitchen, living and dining area forms the heart of the home. Two bedrooms share the ground floor, one with its own shower room. Upstairs, three more bedrooms include a master suite. A lower level adds two further bedrooms, a second kitchen and a sauna, so guests or extended family can have their own space under one roof.

Outside, terraces and covered verandas look out over a fenced courtyard, with parking on site, and are made for long evenings in the Cyprus climate. This sale is for a 119/1000 share of the property.

Seven bedrooms, a pool and a view across Peyia make this a generous place to call home.
