Description
Village life starts at the front door of this Cyprus house for sale in Anglisides. It sits in the centre of the community, with schools within walking distance. Shops, cafés, a pharmacy and parks are all a short drive away.

Everything is laid out on a single level, with around 108 m² of comfortable everyday spaces inside. Outdoors, covered verandas give you shade for long summer meals and relaxed evenings. A smaller open veranda catches the sun on cooler days. The flat plot of 288 m² is easy to look after and has direct road access, so arriving home is simple.

This is an unpretentious, welcoming home with authentic Cypriot village surroundings. It is still well connected: the Larnaca–Limassol motorway is a short drive away, and Larnaca International Airport is within easy reach. Days in Larnaca or Limassol fit easily around a settled life here.

For anyone drawn to one-level living in the middle of a close-knit village, this Anglisides home offers just that. It has room inside, verandas outside and the community all around.
