For Sale : **€ 4,000**

Description
An agricultural field of 9,700 m² in the open countryside of Peristerona, in the Paphos district, a short drive from the village centre. The land is irregular in shape with a sloping surface, and its agricultural zoning makes it suited to farming or planting.

The neighbouring villages of Agios Isidoros and Steni are also a short drive away, as are petrol stations, and the main roads are within a drive. This sale is for a 24/90 share of the field. It is a plain, open piece of farmland in a rural landscape, well away from dense development.
