For Sale : **€ 20,100**

Description
Fyti's village centre is just a short stroll away, and the cafés and restaurants are within walking distance. This residential field sits within the village itself, surrounded by authentic village life. The countryside is close too: Kannaviou Reservoir is a short drive away, as are the neighbouring villages of Milia and Lasa.

The land is flat and irregular in shape, covering 3,011 m² in a residential zone. That gives room for a home in a village setting, on level ground. Picture an afternoon spent within walking distance of a village café, with the reservoir and the green spaces nearby for a weekend outing.

The land has no direct road access. The sale is for a 1/2 share of the field.

Level residential land a short walk from the heart of Fyti offers an uncomplicated way to put down roots in a real Paphos village.
