Description
Within walking distance of the local beaches, this detached house for sale in Pyla sits in a quiet residential and holiday neighbourhood where sea air and summer evenings outdoors are part of everyday life.

The ground floor opens into a spacious open-plan living and dining area with the kitchen, alongside two bedrooms and a guest toilet. Upstairs are three more bedrooms, including a main bedroom with its own en suite shower room, and a family bathroom. It is a flexible family layout, with room for guests, a home office or growing children. Built around 2009, the house has been well built and well maintained, and it is vacant.

Outside, a private swimming pool, covered verandas and a garden create comfortable outdoor living, with covered parking alongside. The house suits a permanent home, holiday use or letting on short or long terms.

Schools, supermarkets, cafés and medical centres are a short drive away, as are Oroklini, Larnaca town and the motorway towards Agia Napa. Above all, it offers your own pool and five bedrooms just a short stroll from the Pyla shoreline.
