For Sale : **€ 50,000**

**Description**
Set in an open countryside setting outside the village, this field in Orounta brings together five neighbouring parcels offered as a single holding of 18396 m². The ground has a smooth surface, and together the parcels form an irregular shape.

The village centre is a short drive away, as are Peristerona, Meniko and local petrol stations. The main roads are close at hand, with motorway junctions a little further. Old, disused livestock buildings stand on the land and are of no value. This is a sizeable, smooth piece of the Cypriot countryside in the Nicosia district.
