Description
A field on the market in Gerakies, Cyprus, set in an open countryside setting within walking distance of the village centre. The land covers 2983 m² and has an irregular shape and a sloping surface. It is reached by a pathway that runs along one side. The neighbouring villages of Oikos and Kalopanagiotis are a short drive away, as is a petrol station, and the main roads are a drive away. The surrounding landscape stays clear of dense urban development. This is an uncomplicated piece of rural land close to the heart of Gerakies.
