Description
For sale: a field in Orounta, a piece of the Cypriot countryside set a little beyond the village homes. The land has a regular shape and a smooth, even surface, giving a well-proportioned and uncomplicated parcel in an open rural landscape.

The village centre, petrol stations and the main roads are a short drive away, and the neighbouring villages of Meniko and Peristerona are close by. The motorway towards Nicosia and the motorway junctions are within a drive.

This is a regular, smooth-surfaced field of 6689 m² in the Orounta countryside.
