Description
A tranquil, beautiful natural setting surrounds this residential field in Dora, a Limassol village where life moves at its own gentle pace. The land lies just off the heart of the community, so the village centre is close at hand while the surroundings stay calm.

The field covers 2,930 m² and is almost rectangular, with a gentle slope that gives the land a soft, easy shape to plan around. It fronts a public road along one side, giving it direct road access. Its residential zoning offers room for a home in the middle of village life.

Imagine unhurried mornings in peaceful surroundings, with restaurants and cafés a short drive away and the neighbouring villages of Mousere and Gerovasa close by. Further afield, the heritage site of Petra tou Romiou lies in the wider region.

A sizeable piece of residential land in a quiet village setting, a short stroll from the centre of Dora and well worth a visit.
