Description
Set among the farmland of Silikou in the Limassol district, this agricultural field covers 3,178 m² of sloping ground with an irregular outline. Its agricultural zoning suits farming and planting, or simply holding the land as part of the village countryside.

The Silikou village centre is a short drive away, and so are the neighbouring villages of Lofou and Agios Georgios. The land has no direct road access. It is a sloping parcel of farmland within the Silikou community.
