Description
Village life around Frenaros sets the tone for this two-bedroom apartment, set on the road that links Frenaros with Paralimni. The village centre, shops and cafés are a short drive away, and so is Paralimni Lake for an easy walk by the water.

Inside, the layout is simple and practical. An open-plan living room and kitchen form the heart of the home, a natural place to cook, eat and unwind under one roof. One of the two bedrooms has its own en-suite bathroom, and a separate shower room serves the second bedroom and guests. Air conditioning keeps the rooms comfortable through the summer months.

Covered verandas give you a sheltered spot outdoors for a morning coffee or a slow evening. Sports venues sit right next to the residential complex, which was built around 2014.

The apartment is subject to a life interest. For everyday living close to Frenaros and its neighbouring villages, it is well worth a visit.
