Step outside and everyday life in Agia Trias is
right there....

For Sale : **€ 241,000**

Description
Step outside and everyday life in Agia Trias is right there. Supermarkets, shops, restaurants and cafés sit next to the building, and the open air of the Molos is only a short walk away. Few things feel better than finishing the day with a stroll there, then stopping for a coffee on the way home.

Up on the third floor, this three-bedroom apartment offers 137 m² of indoor space. There is room for everyone to have a corner of their own, and still plenty of space to come together around the table in the evening. It is a home sized for real family life rather than a compact city flat.

The neighbourhood makes the routine easy. Schools are within walking distance, so mornings can begin on foot, and the Limassol Municipal Garden is close by for a slower weekend afternoon. Medical centres, pharmacies and sports venues are a short drive away.

A generous apartment in the heart of Limassol, with the city's shops and cafés at the door and the Molos waiting at the end of a short walk.
