Description
Shops, schools and medical care right beside you, with cafés, restaurants and green parks a short stroll away. Everyday life in Agios Vasileios, Strovolos, comes easily from this single-storey detached house.

The house stands on a flat corner plot with direct road access on two sides. It dates from 1950 and was partly renovated in 2010 and 2021. Inside, an open-plan living and dining area sets the tone for relaxed family time. A separate kitchen has its own small sitting corner, a pleasant spot for a morning coffee. The main bedroom has a private shower room and a wardrobe, while a second bedroom and a main bathroom complete the home.

Outside, covered verandas, a garden and an open yard give you space for meals in the fresh air and long Mediterranean evenings. There is also an uncovered parking space. The house is currently occupied.

It is a home on one level with outdoor space of its own, in a neighbourhood where so much of daily life is close at hand.
