For Sale : **€ 25,000**

Description
In the Limassol village of Apsiou, this residential field sits right beside restaurants and cafés, so a morning coffee or a relaxed evening meal is never more than a stroll away. It is a setting where village life is part of the everyday rather than a trip out. The land covers 3,679 m² of sloping, irregular ground, and its residential zoning gives room for a home of your own, one that could be designed to follow the natural lie of the land. A registered pathway runs along one of its boundaries. Beyond the field, the nature spot of Koumana is a short drive away, offering a change of scene from the village streets whenever you want it. Supermarkets and shops are a drive away for the weekly errands. The sale is for a 2/3 share of the field. Picture a home taking shape here, with the cafés of Apsiou beside it and open nature close at hand.
