For Sale : **€ 122,000**

Description
Long summer afternoons by a communal swimming pool set the tone for this two-storey detached house in Dromolaxia-Meneou. It forms part of a housing complex in a settled residential area, a short drive from the town of Larnaca.

Built in 2015, the home spreads three bedrooms and two bathrooms across its two floors, with air conditioning to keep the rooms comfortable through the warmer months. Outside, a garden, an uncovered veranda and a pergola invite breakfasts in the open air and relaxed evenings at home, while fencing frames the house.

Everyday life is simple to arrange, with schools and shops close by. Larnaca International Airport is a short drive away, as is Larnaca Salt Lake when you want a slower afternoon by the water's edge.

The sale is a 7995/100000 share of the complex's plot. A family home with a garden and a pool to enjoy, made for Mediterranean outdoor living.
