For Sale : **€ 120,000**

Description
Larnaca town and its famous Salt Lake are only a short drive from this two-storey semi-detached house, set within a housing complex in a residential part of Dromolaxia. It is a setting that keeps everyday life simple, with the coast's main town close at hand and the open landscape of the lake within easy reach.

Built in 2015, the home offers three bedrooms and two bathrooms across two floors, with air conditioning to keep the rooms comfortable through the warmer months. Outside, a garden and an uncovered veranda invite you to linger over morning coffee or an evening meal in the open air, while a pergola and fencing complete the outdoor space.

Residents share a communal swimming pool, a welcome place to cool off on a summer afternoon. Schools and shops are close by, and Larnaca International Airport is a short drive away, so trips abroad and visits from family start without fuss.

The sale covers a 5720/100000 share of the complex's plot. A home where comfortable rooms and relaxed outdoor living sit easily side by side.
