For Sale : **€ 170,000**

**Description**
Picture long evenings outdoors on a generous uncovered veranda, with a covered one beside it for shade in the warmer hours. This two-bedroom apartment in Pyla is made for a life lived partly in the open air.

Inside, the kitchen, living and dining areas flow together as one open space, which makes the home sociable and easy to live in. Two bedrooms and a bathroom complete the layout. The apartment also has the use of a covered parking space on the ground floor.

The development has a communal swimming pool for cooling off on hot afternoons, and entry to it is controlled. Supermarkets, cafés and restaurants are a short drive away, and the tourist area of Pyla is within easy reach. The Larnaca–Agia Napa motorway opens up the wider district.

Above all, it is that open-air veranda that stays with you: a large outdoor space to make your own under the Cyprus sky.
