For Sale : **€ 85,000**

Description
The sea is almost on the doorstep here. Just a short walk from the beach at Mazotos, this flat, rectangular field of 4,014 m² lies in a coastal setting where life turns naturally towards the shore and the open air.

The land sits within a touristic zone, so its general use points towards tourism, and the permitted construction reaches up to three floors. Its level surface and regular shape give a clear, uncomplicated outline to plan around. When it is time to step away from the coast, the village centre, with its restaurants and cafés, is a short drive away.

The land has no direct road access. The sale is for a 33% share of the field.

Picture an afternoon here, with the beach only moments away on foot and the wide Mazotos landscape all around. What stays with you is the simple closeness of the sea, the quality that gives this field its character.
