

For Sale, Land, Field, Nicosia, Pyrgos Kato, 9,661m²

With the beach a short distance away and the village centre...

For Sale : **€ 110,000**

Description
With the beach a short distance away and the village centre close at hand, this large residential field in Kato Pyrgos brings together coastal surroundings and the easy rhythm of Cypriot village life. It is a setting where the sea is part of everyday life rather than a special trip.

The land extends to 9,661 m², a generous stretch of ground with room for a home. Its residential zoning allows building on up to two floors, so a future house could be planned with space and breathing room around it.

Daily life here centres on the village itself. The local centre is only a short distance away for errands and a coffee, and neighbouring Pano Pyrgos is a short drive along. Picture mornings that begin with a quick trip down to the beach and end back on your own land, in a residential setting shaped by the village around it.

Sizeable land, a village setting and the beach within easy reach: the makings of a home near the sea in Kato Pyrgos.
