For Sale : **€ 120,000**

Description
Green spaces open out right beside this field in Pegeia, the Paphos village that sits within a short drive of the Sea Caves. Here the pace is gentle, and the coast is close enough to become part of an ordinary weekend.

The land extends to 5,352 m² in total. It has a regular shape and a smooth surface that slopes gently, which makes its layout easy to read. It lies in a residential zone, so there is room for a home, and the zoning allows building on two floors.

Picture a home set beside that parkland, with village life around you and the sea caves a short drive away for an afternoon by the water. The setting has a calm, green character, and Pegeia keeps everyday life within easy reach.

The sale is for a one-third share of the field, around 1,784 m². It offers a stake in residential land beside open greenery, in a village close to the coast.
