Description
Picture stepping out onto a terrace of 86 m² that is yours alone, a large open-air space waiting to become your own roof garden. It is the heart of this modern two-bedroom apartment in Agios Nikolaos, Lakatameia, built in 2009.

Inside, the kitchen, dining and living areas share one open-plan space that leads out to a covered veranda. It is a sheltered spot for a slow morning coffee or a relaxed meal once the day is done. Two bedrooms and a main bathroom complete the home, and a parking space makes the daily routine easier.

The apartment sits in a convenient residential part of Lakatameia. Supermarkets, shops and schools are a short drive away, so the weekly errands and the school run stay simple.

Comfortable and easy to manage, with a sizeable terrace that invites plants, colour and long evenings outdoors, this is a home well worth a visit.
