Description
In a quiet residential part of Archangelos Anthoupoli, Lakatameia, this ground-floor apartment keeps daily life close at hand. Parks, green spaces and schools are all within walking distance, so a stroll after dinner or the morning walk to class can happen without the car. When you do drive, the Nicosia–Deneia motorway is easy to reach.

Inside, an open-plan kitchen, dining and living area forms the heart of the home. It is a natural place to cook, share a meal and settle in for the evening. Two bedrooms and a bathroom complete a sensibly arranged layout, all on one level with no stairs to climb.

A covered veranda carries life outdoors. It offers a sheltered spot for a first coffee or a slow end to the day. The apartment sits in a two-storey building and comes with its own covered parking space in the basement, so coming home is simple whatever the weather.

A calm neighbourhood at an easy pace, a home that flows from kitchen to veranda, and green spaces and schools a short walk from the door. Everyday comfort in a setting made for living.
