Description
On the rural edge of Mazotos, in the Larnaca district, lies a level agricultural field of 29,767 m² of open ground. The flat terrain suits farming and planting, and the field's size gives plenty of room to work the land.

The field sits just outside the village, a few minutes' drive from its residential area. The neighbouring villages of Kivisili and Aplanta are also a short drive away, and the Larnaca–Limassol motorway links the area with the wider district. It is a large, level parcel of farmland in the Mazotos countryside.
