For Sale : **€ 150,000**

Description
On the rural outskirts of Pano Deftera, two adjoining agricultural fields form one continuous holding of 24,082 m². The agricultural zoning suits farming and planting across both parcels. Access is by a registered pathway. A small part of the land lies within a protection zone.

The village centre and Lakatameia are both a short drive away, and the Nicosia–Deneia motorway and its junctions are within easy reach. Taken together, the two parcels make a large, single stretch of farmland in the countryside of Pano Deftera.
