Description
On the rural outskirts of Maroni, this field covers 19,332 m² of level ground. It fronts an asphalt road along a long stretch of its boundary, giving it direct road access. The village centre is a short drive away, as is neighbouring Zygi, and the motorway linking Larnaca, Limassol and Nicosia is a drive away. The land lies inside a protected ancient monument area, where any building or development is subject to strict rules. It is a sizeable, level parcel of land in a rural setting.
