Description
A short walk from the heart of Ineia village, this two-storey house sits in a quiet residential area of Paphos. It has its own swimming pool and two verandas for an easy life outdoors.

Downstairs, an open-plan kitchen, sitting and dining area gathers around a wooden stove, a cosy focus for cooler evenings. A bedroom, a shower room and a storage area complete the ground floor. Upstairs are three more bedrooms, including a master with its own en-suite shower, along with a bathroom with a jacuzzi and a handy kitchenette.

Outside, a covered veranda offers shade for long lunches with family and friends. An open-air veranda and a yard sit alongside the private pool. Air conditioning keeps the rooms comfortable, there is a parking space, and pets are welcome.

Lara Beach is a drive away, so days can move easily between village life, the coast and your own poolside.
