Description
Set in a quiet residential area of Pegeia, this home brings together village life and a swimming pool of its own, with Coral Bay a short drive away.

The ground floor centres on an open-plan living and dining area beside the kitchen, with a storage room and a bedroom that has its own shower. Upstairs, two more bedrooms each have an en-suite, one with a shower and one with a bath, giving everyone a little privacy at the start and end of the day.

Outside, a private yard, the pool and two verandas, one covered and one open, invite slow mornings with coffee in the shade and lazy afternoons in the water. An open-air parking space completes the picture.

Everyday life sits close at hand. Shops and cafés are within walking distance, and the beaches are a short drive from home. It is a house made for living outdoors, with the pool at the heart of it.
