Description
In a peaceful residential neighbourhood of Agios Fanourios, Aradippou, this detached family house unfolds over two floors. Parks and green spaces are a short walk away, and Larnaca is close at hand.

Downstairs, an open-plan living and dining area flows into the kitchen, where a sitting corner invites unhurried breakfasts and long conversations. A laundry room with an extra auxiliary room adds useful practical space, and a shower room serves the ground floor. A covered veranda and a yard give you somewhere to sit out as the day winds down, and there is parking on the plot.

Upstairs are four bedrooms. The main bedroom has its own walk-in wardrobe and shower room. The other three have access to an uncovered veranda and share a family bathroom.

Set on a corner plot, the house is a short drive from Metropolis Mall, with shops, cafés and schools within easy reach. It is a home shaped around family life, in a calm neighbourhood with everyday convenience nearby.
