Description
Set on the top floor of a modern building of seven flats, this three-bedroom apartment in Agios Vasileios, Strovolos, brings contemporary design together with a well-connected residential setting. At its heart is an open-plan kitchen, dining and living area, an inviting space where cooking, meals and relaxed evenings flow easily into one another. Two verandas, one covered and one open to the sky, carry that life outdoors: a morning coffee in the shade, or dinner in the open air as the day winds down. The master bedroom has its own en-suite bathroom. Two further bedrooms share a main bathroom, and a guest toilet keeps busy mornings and visits from friends running smoothly. A parking space completes the picture. Supermarkets and cafés are within walking distance, so everyday errands and a coffee out can happen on foot. The main roads nearby make journeys across Nicosia straightforward. It is a comfortable base for daily life, with the city close at hand.
