Eleni, Nicosia...

For Sale : **€ 195,000**

Description
Set over two floors in Agioi Konstantinos and Eleni, Nicosia, this three-bedroom apartment has parks and green spaces right beside it and the University of Cyprus within walking distance.

The ground floor is made for everyday life. An open-plan kitchen runs into the dining and living areas, and a guest toilet keeps visitors comfortable. Two verandas add generous outdoor space, one covered and one open to the sky. Picture a morning coffee in the shade, or a relaxed meal outside as the evening cools.

Upstairs, the three bedrooms sit away from the living space. They include a master bedroom with its own en-suite, alongside a main bathroom. A parking space comes with the apartment, and main roads are easy to reach, so the rest of the city is never far away.

Two levels of living space, outdoor room on both verandas and green surroundings next door make this a home worth getting to know.
