For Sale : **€ 185,000**

Description
Three agricultural fields lie side by side in Choirokoitia, in the Larnaca district, and together make up a large holding of 60,537 m². Because the fields are adjacent, they form one continuous stretch of land for farming or planting.

The centre of Choirokoitia is a short drive away, as are the neighbouring villages of Psematismenos and Agios Theodoros. The land has no direct road access. Its agricultural zoning covers the whole holding, so it lends itself to cultivation. These are three joined agricultural fields, offered together as a single holding.
