Description
In Skarinou, in the Larnaca district, three adjacent fields come together as one large holding of 30,848 m². The centre of Skarinou is a short drive away, and the nearby villages of Choirokoitia and Agios Theodoros are close by too. The land has no direct road access. It also falls within a protection zone. Held as three neighbouring parcels, the fields form a single, sizeable stretch of land in the Skarinou area.
