Life in Stroumpi gathers around its village centre,
and thes...

For Sale : **€ 90,000**

Description
Life in Stroumpi gathers around its village centre, and these two residential fields in the Paphos district sit close to it. A school, traditional restaurants and a mini market are all near by, so the small comforts of village life are never far away.

Together the fields cover 6,690 m², a sizeable piece of land with residential zoning. That gives it a clear general purpose: room for a home, with a morning trip for bread or an evening meal at one of the village's traditional restaurants close at hand. Beyond Stroumpi, the neighbouring village of Polemi is a short drive away and widens the circle of places to get to know.

The land has no direct road access. The sale is of a 50% share of the two fields.

What stays with you is the setting: residential land in Stroumpi, with the school, the restaurants and the heart of the village all close by.
