For Sale : **€ 285,000**

Description
Just a short way from the heart of Pigenia, two neighbouring fields come together as one large stretch of residential land. Village life here keeps a slower pace, and the centre, with its everyday comings and goings, is close at hand.

Together the fields cover 24,166 m², and their residential zoning gives room for a home of your own, laid out to your plans. Beyond the village, the waters of Pomos Reservoir are a drive away, and the nearby villages of Agios Theodoros Tillirias and Selladi tou Appi are a short drive off.

The land has no direct road access. A small part of it, 135 m², is held for use by the National Guard.

A generous piece of Pigenia, close to the village centre, where the groundwork for a new home can begin.
