Description
Within the village of Pigenia, a short drive from its centre, lies a large agricultural field of 14,259 m². Its agricultural zoning makes it land for farming and planting, with enough ground to work on a meaningful scale. The neighbouring villages of Agios Theodoros Tillirias and Selladi tou Appi are also a short drive away, and a petrol station is close by. The land has no direct road access. This is a sizeable piece of farmland in Pigenia, zoned for agricultural use.
