For Sale : **€ 1,300,000**

Description
Panoramic views of the sea and the surrounding countryside open out from this large field in Pissouri. It is a picturesque hillside village that has grown into a popular resort while keeping its unspoiled landscape. The touristic area of Pissouri Bay is a short distance away, and the village is known for its sandy Blue Flag beaches.

The land covers 40,135 m² and is zoned for tourist use. That gives a sizeable canvas for a tourism project in a setting shaped by open views and the life of a coastal village. The land has no direct road access.

The area offers restaurants, a golf club and the white cliffs of Cape Aspro. Pissouri sits between Limassol and Paphos, and Paphos International Airport is about 20 km away. Above all, it is the wide sweep of sea and hillside that stays with you, the reason this corner of Pissouri draws people back.
