Description
Close to the sea and to the centre of Kato Pyrgos, this residential land offers a setting where village life and the coast are never far apart. Picture a morning by the water and an evening at one of the village cafés, with home waiting in between.

Covering 1,156 m² and zoned for residential use, the land gives room for a home in authentic village surroundings. Supermarkets, shops and restaurants are a short drive away, so everyday errands stay simple, and the neighbouring village of Pano Pyrgos is close by too. The land has no direct road access.

For anyone drawn to a home near the sea, with the rhythm of a Cypriot village around it, this is land that keeps the essentials close. Well worth a visit.
